

NREN Compendium

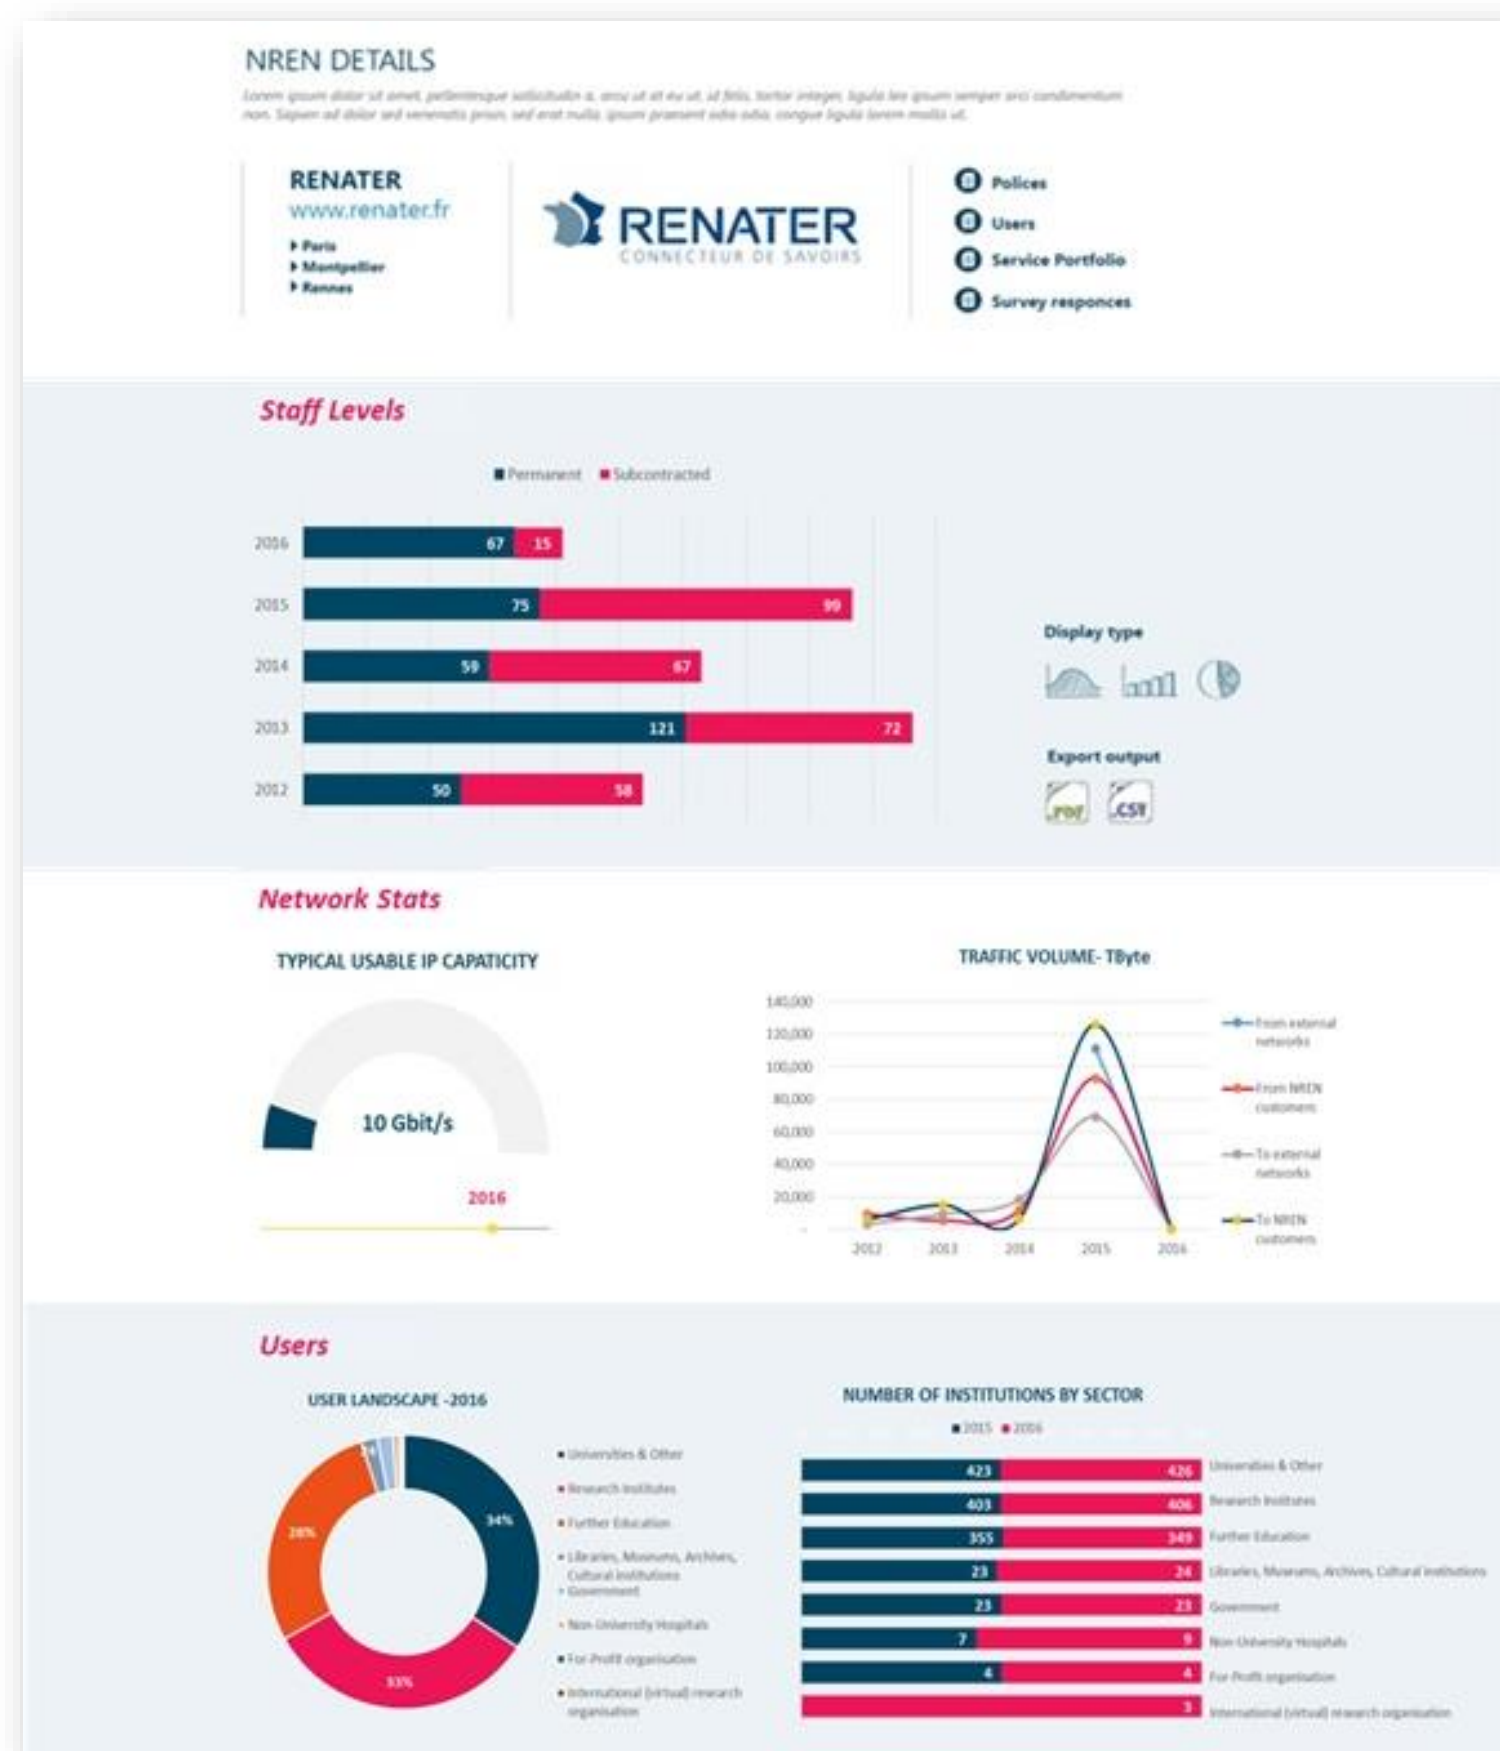

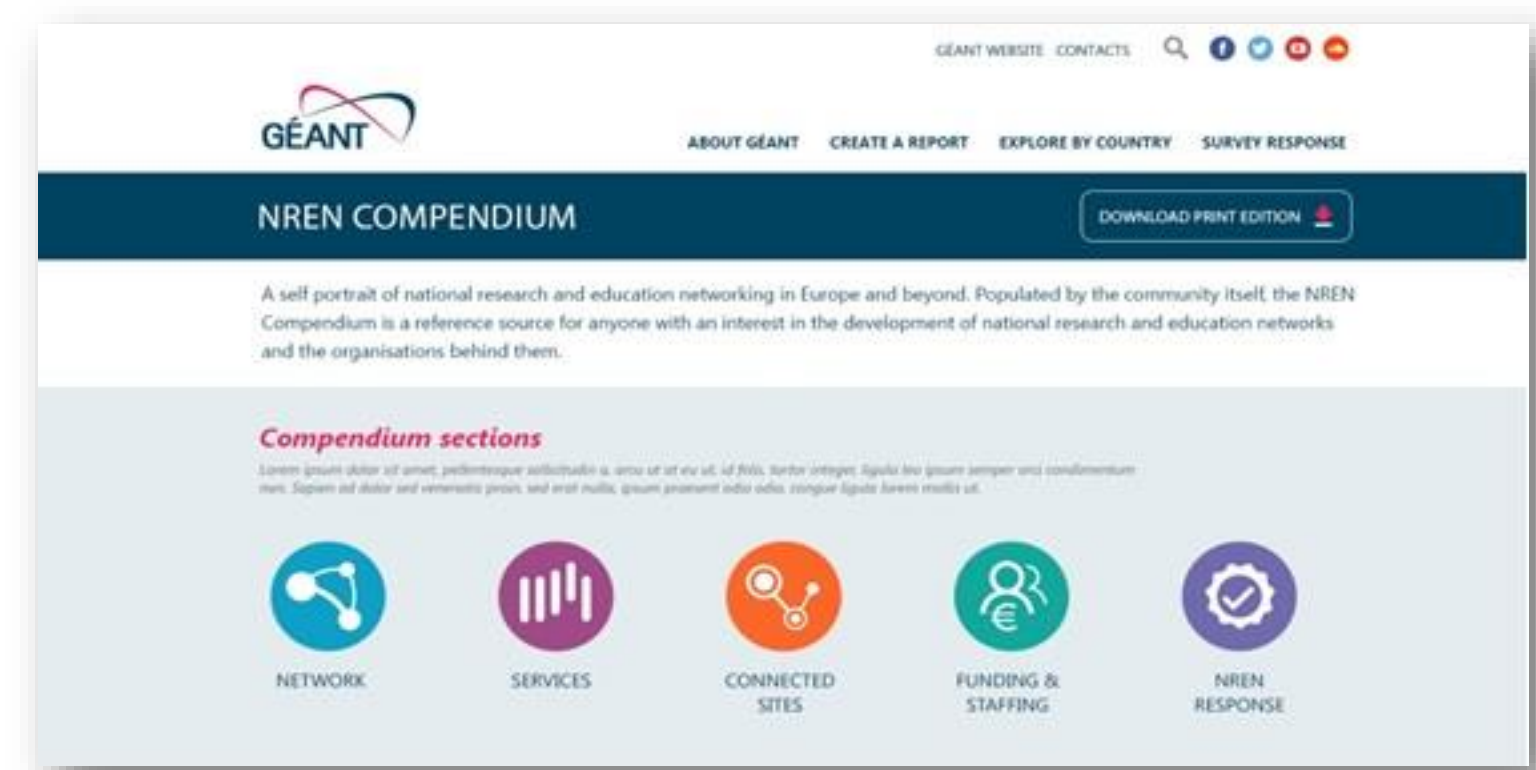

Making Community Data Work for the Community

Information → Knowledge → Insight → Strategy

Effective Decision Making Needs Data

In a complex, environment with many different stakeholders, it is vital that strategic decisions are backed up with effective research and data.

Learning From Experience

Tracking NREN development helps everyone share knowledge and exchange experience and best practice.

Visualising Data for Greater Understanding

Data visualisation helps users compare and contrast data more effectively and to identify trends, opportunities and risks.
